If no instructions are given, the method and route of shipment are at Seller's discretion. In the event there is a delay in production, shipment or delivery for any reason caused by circumstances beyond the Seller's control, the dates for delivery will be extended for a period equal to the time lost by reason of such delay. The Seller shall not be liable for any damages incurred by the Buyer as a result of a delay in or failure of delivery caused by circumstances that are not entirely within Seller's control. In no event shall the Seller be liable for special, real, liquidated, or consequential damages.
